

Optometry Digital understands your concerns about privacy and security when using the Internet, and we are committed to protecting the privacy of our valued customers. Optometry Digital does not sell, rent, or exchange any information collected via the Internet. Optometry Digital keeps all collected information confidential. We have implemented security policies and technical measures to protect your personal data from improper use or unauthorized access.

In order to fulfill your requests for our services and products, it is necessary to obtain your name, address, and phone number information. We use the information you provide to schedule the services and deliver the products you request. We may also use the information to contact you about our products, services, and events, to notify you about special offers or promotions, or to respond to your request for information from Optometry Digital.

Optometry Digital collects information as described to ensure personalized service to our customers. By using Optometry Digital you consent to the collection and use of data for this purpose. Any changes to this policy will be posted on the Web site.
